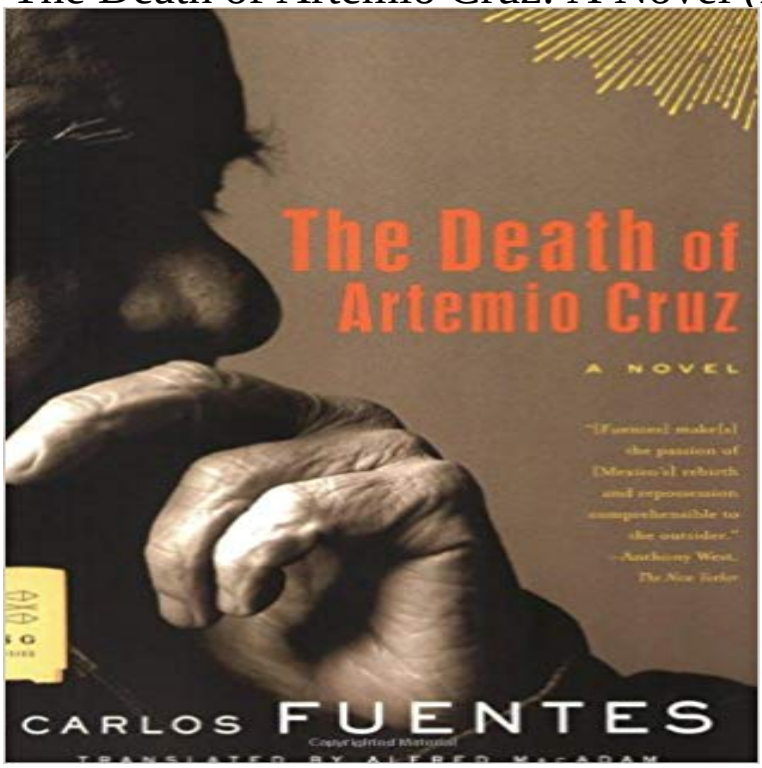
The Death of Artemio Cruz: A Novel (FSG Classics)



As the novel opens, Artemio Cruz, the all-powerful newspaper magnate and land baron, lies confined to his bed and, in dreamlike flashes, recalls the pivotal episodes of his life. Carlos Fuentes manipulates the ensuing kaleidoscope of images with dazzling inventiveness, layering memory upon memory, from Cruzs heroic campaigns during the Mexican Revolution, through his relentless climb from poverty to wealth, to his uneasy death. Perhaps Fuentess masterpiece, The Death of Artemio Cruz is a haunting voyage into the soul of modern Mexico.
