

2009 Collector Car Price Guide

The 2009 edition of Collector Car Price Guide provides you with essential information on finding, fixing, financing and having fun with collector cars, just as previous editions have done for more than 20 years. This book, in its easy-to-carry format contains more than 250,000 ballpark values determined from auction data, collector input and market research to help you accurately rate the condition of a car and identify the difference between classic, antique, special interest, collector and milestone models. Lists all the models made by 109 carmakers and 37 truck makers between 1899 and 2001. Preferred reference of various professionals including automobile dealers, bankers, appraisers, insurers, adjusters and restorers.

Features the 1-6 Condition Scale, the standard of the collector car industry.
