But when special events coordinator Holder Darby walks off the job just as 500 Alabama bankers pour in the front door, Davis steps up - or would that be in? Definitely in. Davis steps in it. Not only has the convention director vanished, but a certain Bellissimo guest is missing - one who forgot to pack the million dollars he left in the bathtub. It looks like our redhead newlywed supersecret spys lazy summer is over when the Bellissimo vault is robbed. Can Davis connect the dots before its too late? Can she get her Taser gun back from Bianca Sanders? Will she be stuck with Eddie Crawfords 1962 Cadillac forever? What Davis needs is a little faith - and a lot of luck.
