

# Agviq

AGVIQ is the totem of the Real People, the Inupiaq, who endured the Arctic territories for 7,000 years--until the modern world destroyed the ancient ways. But then the modern world itself was destroyed. Among others, a white archeologist named Claudia has survived. The People need her to teach what has been taken; she needs them--to live. And together, they must face the ice and confront the ancestors greatest challenge ...
