

The Family: A Novel

A Jamaican girl joins her parents in London at age eleven and makes formidable adjustments and choices to overcome the limitations of her family life. The story of a young Jamaican girl, Gwendolen Brillianton, who is born into poverty and deserted by her parents when they emigrate to London. Being reunited with her parents and the siblings she has never met does not end her problems, and she realizes she must fight her family and take control of her own life in order to recover from abuse and take pride in herself. Originally published as Gwendolen.
