

Testament: Omnibus

From the imagination of best-selling author Douglas Rushkoff, one of the most iconoclastic and acclaimed minds of our era, comes a graphic novel that exposes the real Bible as it was actually written, and reveals how its mythic tales are repeated today. Grad student Jake Stern leads an underground band of renegades that uses any means necessary to combat the frightening threats to freedom that permeate the world. They employ technology, alchemy, media hacking and mysticism to fight a modern threat that has its roots in ancient stories destined to recur in the modern age. This digital omnibus collects all four volumes of Douglas Rushkoffs Testament.
