

Ashes and Diamonds (European Classics)

Originally published in Poland in 1948, and acclaimed as one of the finest postwar Polish novels, *Ashes and Diamonds* takes place in the spring of 1945, as the nation is in the throes of its transformation to People Poland. Communists, socialists, and nationalists; thieves and black marketeers; servants and fading aristocrats; veteran terrorists and bands of murderous children bewitched by the lure of crime and adventure--all of these converge on a provincial town's chief hotel, a microcosm of an uprooted world.
