

Big Bend (Book One) - Explore Boquillas Canyon Trail: Our gringo family honeymoon (Volume 1)

Big Bend National Park - Explore Boquillas Canyon Trail - This book is part of a series in which we strive to bring to you a colorful photographic experience of trails that we hiked as a family it is not a hikers guide. However it has some practical information and tips that we thought might be useful for other families. We hope to encourage you to get out of the city and out of your car and experience the beauty of Big Bend. Make the most of your adventure in the rugged beauty in a land of contrast. There are e desert opportunities, numerous trails, swimming in the hot springs, canoeing, steep climbing and the cultural experience in Boquillas. This book starts with practical information and includes a photographic discovery of Boquillas Canyon, with short descriptions of the trails we completed later. The books will build on one another, it is just impossible to include all the photographs in one book.
