

Blind Justice

Jake Denney has hit rock bottom. His wife has left him. He's drinking again. And his five-year-old daughter is in the middle of it all. When a judge calls him a disgrace to the legal profession, Jake starts thinking things might be better for everyone if he wasn't around anymore. Then a childhood friend's mother phones him. Her son, Howie, has been accused of murdering his wife. Jake takes the seemingly hopeless case in a last-ditch effort to save his client and his fading career. Meanwhile, Howie's little sister, Lindsay, has grown into a beautiful woman. Though Jake is drawn to her, there's something about her he doesn't understand, even though it may be the very thing he needs to reclaim his humanity. With the evidence mounting against his client, and a web of corruption closing around them both, Jake Denney faces the fight of his life--not only in the courtroom, but in the depths of his own soul. Move over John Grisham. James Scott Bell has done it again with *Blind Justice*. A must read! - Nancy Moser, author of *The Invitation* and *The Quest*

Blind Justice is a 1916 Danish silent drama film directed by Benjamin Christensen. Prints of the film exist in the Det Danske Filminstitut. Cast[edit]. Benjamin Lady Justice is an allegorical personification of the moral force in judicial systems. The first known representation of blind Justice is Hans Gieng's 1543 statue on the Gerechtigkeitsbrunnen (Fountain of Justice) in Berne.
