

Totally MAD: 60 Years of Humor, Satire, Stupidity and Stupidity

For the past six decades (thats 60 years-we did the math so you dont have to) MAD Magazine has keenly observed the American landscape and promptly made fun of everything in sight. Unwavering in their commitment to high quality stupidity, MADs legendary artists and writers, long known as The Usual Gang of Idiots, have brilliantly satirized politics, celebrities, sports, media, cultural trends, and more. Totally MAD (originally titled The New American Cookbook until cooler heads prevailed) is the ultimate collection of MADs most idiotic material, including such classics as Spy vs. Spy, The MAD Fold-in, A MAD Look At..., The Lighter Side of, Horrifying Cliches and The Shadow Knows, plus modern MAD classics including The MAD Strip Club and The Fundalini Pages. Whether you grew up with MAD in the 50s, 60s, or 70s, reading it with a flashlight under the covers so your parents wouldnt catch you, or in the 80s, 90s and beyond, reading it while watching the MADtv sketch comedy show or the more recent animated series on the Cartoon Network, this book will bring back fond memories and also provide a great introduction to MAD for new readers. Then again, maybe not. SPECIAL BONUS!Includes The Soul of MAD, 12 classic cover prints, ten featuring Alfred E. Neuman, MADs gap-toothed grinning idiot mascot. These beautiful reproductions are suitable for framing or wrapping fish.
