Catch Me If You Can

All Tag Morgan wants to do is help settle his fathers estate so he can get back to properly cataloguing his Mayan ruins. So hes caught quite off guard to discover that A) his father had holdings in Scotland and B) the property now belongs to Tag. Leafing through his fathers correspondence with the propertys overseer, one Maura Ramsey, Tag is thoroughly captivated by her dry wit and infectious charm. Soon Tag knows that goal of his next expedition: hes going to Scotland to find this woman. Travelling alone through the Scottish highlands, the man who dissects other cultures for a living is completely out of his element in this one. Eccentric locals. Lethal-strength ale. Scary sheep. Its a lot to take in. More unsettling is Maura Ramsey, a woman with sparkling blue eyes and an sparkier temperament...a woman wholl fight to keep the land for her tenants...and who ignites passions Tag didnt even know he had. Once he gets a taste, Tag only wants more. And if he does, hell have to let go of the past and embrace the future with everything hes got...especially his heart.
