

Darker After Midnight (Midnight Breed)

In the dark of night, a blood war escalates within the hidden world of the Breed. After existing in secret for many long centuries, maintaining a fragile peace with the humans who walk beside them unaware, a single act of retaliation has put the entire vampire nation at risk of discovery. It falls to the Order cadre of Breed warriors pledged to protect their own and humankind alike to stop Dragos, the power-mad vampire at the center of the conflict, before his push for domination can explode into catastrophe. At the center of the Order's quest is Sterling Chase, once a morally rigid enforcer of Breed law, now a warrior fallen from grace, whose biggest battle is the one he wages against his own savage nature. With addiction beckoning him toward eternal darkness, Chase's path to redemption has never seemed more out of reach until he finds himself drawn to a beautiful young woman who may be something much more than she seems.
