Charlie's colorful cast of colleagues, including Larry the Kid and Dorian the Dapper, are high on the list of suspects. And Charlie can't rule out members of Gloria's own coven. After someone else vanishes, Charlie starts attending seances and follows a trail of blackmail and guilty secrets in an effort to unmask a killer whose scattering clues in this world and the next. She must believe in her new powers if she is to match wits with the murderer in this unpredictable paranormal mystery.
