For hundreds of years, Anatole has sought clues and answers to the riddles about the time called Gehenna, when the ancient vampires called the Antediluvians will rise and destroy all the Kindred on earth. Anatole is alternately thought mad because of his Malkavian blood or blessed by God with a true faith, but few deny that he sees and comprehends many of the mysteries of the World of Darkness. Now, as the millennium draws to a close, Anatole finds a means to finally gain the ultimate answers he desires. Through visions of an ancient Eye and a young Kindred named Leopold, Anatole seeks to forge a connection between himself and one of the few resources for answers about the great mystery of Gehenna: the very source of the coming destruction!
