Dynamite presents an unprecedented comic book series that tells the complete story of the Lord of the Undead--Dracula! For the first time in 112 years the tale that Bram Stoker intended to tell is told (including Draculas Guest!). If you thought you knew how it began or how it ends, you were wrong! Writers John Reppion and Leah Moore are joined by painter Colton Worley for a 5 issue odyssey of life, death, and the blood that flows within us all! This fully painted series features a massive 32 pages of story and art per issue, each page fully-painted in a rich, moody style by Worley, all under covers by modern master John Cassaday! Moore and Reppion also provide bonus material such as script pages, annotations and samplings of the original text by Bram Stoker!
