

Sand for Snow: A Caribbean-Canadian Chronicle

Robert Edison Sandiford moved from Canada to his parents native Barbados in 1996. He went for wife and work -his new bride was a Bajan, and he had landed an editors position at the leading daily newspaper. Yet his journey Back Home also led to a series of insightful and often poignant meditations on relationships, island life, and the decline of his father, diagnosed with Alzheimers disease twelve years earlier.
