

Learn to Surf: Bondi (Learn to Surf Locality Guides)

Introducing Learn to Surf, a new series of fun, fresh and informative locality guides centered around the pastime we can't get enough of surfing. From Bondi in New South Wales to Bells Beach in Victoria and Snapper's Rocks in Queensland, Australia is bursting to share its local surfing secrets with the world. The Learn to Surf guides are each created by a team of local surfers and businesspeople as practical and informative books offering simple tips and principles to help any newcomer to the area or the sport to help them find their feet, literally. But with stimulating business in mind, each title also includes information on the area, such as maps, information on hot spots and annual events, as well as a series of stylish advertisements from local businesses and organizations, designed in the fun, youthful Learn to Surf way.
