

Harlem Heat

She's One Tough Mother Roxy Reynolds learned the rules of the street nearly two decades ago as a low-level member of what was once New York City's most powerful drug organization. She was also a mom at fourteen years old, and did what she had to do to raise her daughter, Chyna. Now Chyna's all grown up, a stunningly beautiful exotic dancer with a baby girl of her own, while super-sexy Roxy is at the height of her power running Harlem Heat, a gun-trafficking ring. It's a lucrative lifestyle some would do anything to have. And when former drug kingpin Panama Pete returns to the hood after serving fifteen years in prison, a spiral of violence traps Roxy and Chyna and has them running from the law - and running for their lives.
