

## Bad Dreams

When Anne Nielson, an American journalist, travels to London to investigate the death of her sister Judi, she finds herself sucked into her nightmarish world of corruption and perversion, populated by dealers, pimps, sadomasochists and a vampire race that feasts on their victims' dreams. At the centre of this sickly web lurks the Games Master. Something more and something less than a man, the closer Anne draws to his domain the more she endangers herself and everyone she knows, and soon she will learn that the Games Master is not just a name, and when he plays, he plays for keeps. An updated edition of the critically acclaimed novel, featuring the short story *Orgy of the Blood Parasites* and a brand-new afterword by Kim Newman.
