

## Dreamers (New Directions Paperbook)

The midnight sun illumines more than fishing and fjords in this remote northern Norwegian village. In fact, half-baked schemes and hilarity abound. Big Ove Rolandsen, telegraph operator, mad scientist, and local Casanova, trades wits, fists, and kisses with a host of quirky neighbors. He serenades the curates wife and fights a drunken giant, but taking on Trader Mack, the towns fish-glue magnate, is a more difficult matter. Knut Hamsun, author of the acclaimed *Hunger* and winner of the 1920 Nobel Prize for Literature, renders the dreams and dramas of these townsfolk with a delightfully light touch. Robert Bly has written that Hamsun has a magnifying glass on his eye, like a jewelers, and *Dreamers* gleams like a perfect, semi-precious stone.
