

Kamouraska

Translated into seven languages, Kamouraska won the Paris book prize and was made into a landmark feature film by Claude Jutra. A classic of Canadian literature by the great Quebecoise writer, Kamouraska is based on a real nineteenth-century love-triangle in rural Quebec. It paints a poetic and terrifying tableau of the life of Elisabeth d'Aulnieres: her marriage to Antoine Tassy, squire of Kamouraska; his violent murder; and her passion for George Nelson, an American doctor. Passionate and evocative, Kamouraska is the timeless story of one woman's destructive commitment to an ideal love.
