

Kian

Dark. Mysterious. Gorgeous. Loved by all the girls. Respected by all the guys. As the heir to a billion-dollar empire, Kian Mastons future was promising - until the day he saved my life. Everything changed for both of us, and there was one more word that could be used to describe him: dangerous. The nation fell in love with Kian while falling in hate with me. He was sent to prison, and as far as they were concerned, it was my fault. I was forced to go into hiding until today. Kians being released from prison, and he should go back to being the golden boy he always was supposed to be. I should remain in hiding, living my life as normal as could be. Thats what we should do.... Contains mature themes.
