

## Gothic Tales (Penguin Classics)

Elizabeth Gaskell's chilling Gothic tales blend the real and the supernatural to eerie, compelling effect. Disappearances, inspired by local legends of mysterious vanishings, mixes gossip and fact; *Lois the Witch*, a novella based on an account of the Salem witch hunts, shows how sexual desire and jealousy lead to hysteria; while in *The Old Nurses Story* a mysterious child roams the freezing Northumberland moors. Whether darkly surreal, such as *The Poor Clare*, where an evil doppelganger is formed by a woman's bitter curse, or mischievous like *Curious, if True*, a playful reworking of fairy tales, all the stories in this volume form a stark contrast to the social realism of Gaskell's novels, revealing a darker and more unsettling style of writing.

Three Gothic Novels by Horace Walpole. The Gothic novel, which flourished from about 1765 until 1825, revels in the horrible.

Elizabeth Gaskell's chilling Gothic tales blend the real and the supernatural. Published February 1st 2001 by Penguin Books (first published August 14th 2000).
