

Leers and Foaming in Latvia

Thirty something Andy Renshaw is stuck in a rut and set in his ways. Like his colleague Hamish he endures a meagre existence of computer screens and Sci-Fi novels, struggling to find his way through a quarter life crisis. But then Hamish's young friend Tanja invites them to visit her in Latvia, propelling them on an adventure of strong willed women, vodka and the ghosts of Latvia's past. And as they are dragged from one cultural experience to the next, will they rise to the challenge of being out of their depth from the moment they set foot in the country?
