

Moonfleet (Victorian)

Both a mystery and an adventure story, the classic *Moonfleet* (1898) is a tale of smuggling set among the cliffs, caves, and downs of Dorset. It is at once a well-paced account of dramatic action and a celebration of the unregainable freedoms of childhood. Falkner's feeling for history and for the topography of his Dorset setting combine with his gift for storytelling to turn *Moonfleet* into an historical romance of moving intensity.
