

Standard Catalog of Ford

This is the ultimate reference for identification, product history, model listings, serial number information, specifications, production totals and technical data on all Fords ever made. It provides collector-market values for Fords made during 1903-2001. It also gives Ford collectors the facts they need to identify, buy, restore and invest in collectable Fords. The old-car hobby started with Ford and this brand of cars remains very popular with restorers. Hot rod enthusiasts are also extremely Ford oriented and will also be interested in this book since it supplies various specifications needed to build cars. These include weight, wheelbase, length and tyre size.
