

Creative Stenciling for Mixed Media Ultimate Guide: Ultimate Guide Series

and Polymer Clay Art The

In this stenciling tutorial we will show you how to use many products to create multi-faceted art and designs using various kinds of stencils on paper and polymer clay. The techniques can be used on canvas, fabric, art journals, art jewelry, and more. We've included a polymer clay tutorial section to show you just how fabulous the medium is for extending and expanding your art making into multi-dimensional projects. There are 25 techniques with information on how to combine them to create the beautiful multi-layer designs that are so intriguing. It includes 2 full length complete projects, 75 photos and 7 bonus videos. With the techniques you will learn, you can create wall art, decor, fabric art, art quilts, jewelry and more using many of the mixed media supplies you already have on hand and perhaps discover some new favorites. We are Ilysa Ginsburg and Kira Slye and we have been creating art with polymer clay and mixed media for over 20 years. We are partners in Polymer Clay TV and co-authored a polymer clay how to book called Polymer Clay Art Jewelry - How to make polymer clay jewelry using new techniques. We really mean it when we say new because we spend a lot of time testing and trying products from the art world and sometimes not, sometimes we just see something interesting and give it a try so that we can bring our discoveries to you.
