

A Passionate Love Affair with a Total Stranger

A Passionate Love Affair with a Total Stranger by Lucy Robinson, author of *The Greatest Love Story of All Time*, is a hilariously funny and gorgeously romantic story about falling in love when you least expect it. Charley Lambert has worked hard at creating a perfect life. She has an aspirational flat, a job of international significance and a very good pair of legs, thanks to a rigorous health and fitness regime. Best of all, her boss has asked her out after seven years hard flirting and a covert fumble in a mop cupboard. Then she breaks her leg in three places, watches her boss propose to someone else and - horror - is forced to hand over her job to her nasty deputy. Charley, a certified workaholic, fears that she will go mad. Dangerously bored, she starts helping people who are talentless at internet dating. Then William arrives in her inbox and rocks her world. Helpless, she watches herself fall in love with him and discovers she's not who she thought she was. But can she turn her back on her old life - all for a total stranger?
