

## Ride 2: More Short Fiction about Bicycles

The second collection in the RIDE series of short fiction about bicycles, with contributions by SJ Rozan, Kent Peterson, Barb Goffman, Keith Snyder, Eric Neuenfeldt, Nigel Greene, Jan Maher, Jon Billman, and KI Hope. - - - this stuff is brilliant ... if you, like me, have been previously bitten by worthless bicycle fictions, allow me to present the antidote, one that will have you e-mailing mr snyder impatiently enquiring after the publication of number three.... a triumph. -thewashingmachinepost.com - - - Even if you cant tell a crank from a bottom bracket, you can still enjoy this collection of short fiction. Best of all, the writing is quality stuff. Each piece is a carefully selected vignette highlighting just one unique aspect of cycling, full of small details, humor, and heart. -COMOCYCO
