

Royal (Rixton Falls)

His name is Royal, but hes no prince charming. Hes not even a prince-though you could say I loved him once upon a time. He was my older brothers best friend. Growing up, he sat at our dinner table every Sunday, teased me mercilessly, and pretended I annoyed him. When I was old enough, he took me on my first date. Royal taught me how to drive. Escorted me to my junior prom. Gave me my first kiss ... amongst other things. He was my first taste of toe-curling, all-consuming, cant-sleep love. We had our whole lives ahead of us. There was never anyone else for me but him. And then he disappeared. No letter. No explanation. Not even a good-bye. Ive spent the last seven years trying in vain to forget my first love, but just when I think Ive finally moved on, guess whos back in town?
