Octave Parengo, advertising genius, is about to hit rock bottom. His girlfriend has left him, his coke habit is out of control, and no matter what he does to get himself fired, he inevitably lands a promotion. Its only a matter of time before things get messy ...Scathing, hilarious, violent and tragic, this expose of advertising and universal consumerism by one of the most caustic authors of his generation makes GBP6.99 a truly unforgettable read. A stylistic cross between American Psycho and South Park Time Two books in one. Both of them good FHM
