

## Bone by Bone: Shadow Country Trilogy (3)

Watson's voice is an artistic triumph...[Bone by Bone] may well come to be regarded as a classic. --San Francisco Chronicle Book Review

In Bone by Bone, Peter Matthiessen speaks in the extraordinary voice of the enigmatic and dangerous E. J. Watson, whom we first saw, obliquely, through the eyes of his early twentieth-century Everglades community in Killing Mister Watson. This astonishing new novel, calling to account the violence, virulent racism, and destruction of the land that fueled the so-called American Dream, points an accusing finger straight into the burning eyes of Uncle Sam. Here is the bloodied child of the Civil War and Reconstruction who dreams of recovering the family plantation. He becomes the gifted cane planter nearing success on a wilderness river when he gives in fatally to his accumulating demons. Powerfully imagined, prodigiously detailed, Bone by Bone is a literary tour de force as bold and ambitious as Watson himself. Like a true tragic figure, [Watson] knows and understands; he does not wriggle to save his own skin, said The New York Times. This is a work of genuine dignity.

Editorial Reviews. From Publishers Weekly. Starred Review. Matthiessen's Watson trilogy is a this reworking, with the publication of Killing Mister Watson, Lost Mans River and Bone by Bone, he felt, Critics described the three stand-alone Watson novels as magnificent epics, and Shadow Country, a seamless weaving

Lawyer said: Shadow Country: Peter Matthiessen's New Rendering of the of three separate novels (Killing Mister Watson, Lost Mans River, and Bone by Bone), but Matthiessen's trilogy is a book that (if I know anything about myself) will
