

Silent Hill: Dying Inside #5

Part 5 of 5: What would you sacrifice to gain absolute control over your own destiny? The lives and souls of those who love and trust you? The future? A war rages in the demon-infested town of Silent Hill, where seventeen year-old Goth Lauryn must make a decision that may forever alter the course of this unholy place-and one day loose Hell itself upon the world. Dont miss the incredible action and chilling terror of the miniseries conclusion.
