

Single Mom Style

Single Mom Style, the blog, began as a way to reach out to others who were looking to understand the wreckage of divorce. It evolved into a collection of witty stories, heartbreaking tears, and lessons learned. The author takes you on her personal journey of being a single mom and shows you the light at the end of the tunnel. From playdates and parenting to divorce and dating, this single moms journey will inspire you along yours. It wasn't until my daughter was born when I woke up. I reevaluated my life as an example to my daughter. Is the kind of life I'm living now the kind of life I wanted for my daughter? The answer was no. And if I thought she deserves better, so did I. She was my game-changer, and I changed the game. You know how people say things have to get worse before they get better, well they were absolutely right I hit rock bottom. I was everything I never wanted to be... The good thing about hitting rock bottom was there was only one way to go up.
