

Lonely Planet: Jamaica (7th Edition) (Chinese Edition)

Jamaica, like a huge green garden, is one of the most beautiful islands in the Caribbean. The glittering and translucent seawater is scouring the coral reefs, and dashing onto the soft sandbeach. This beautiful, pleasant country is a literally visual and spiritual feast. The food here is also a hodgepodge: a surprisingly large number of tropical fruits hanging on the branches, and then drink a glass of rum, and you'll understand how Jamaican culture can retain its original flavor while blending in the Caribbean macro-environment.

Noticed that the LP is of 2015, so over 3 years by the time we will go. Appreciate it if you can let me know when is the next edition expected to
