

# Brides Year Ahead: The Ultimate Month by Month Wedding Planner

The Brides Year Ahead outlines the entire wedding process, starting one year before the wedding. Unlike other wedding planners that are arranged by subject, this book is organized in a progressive, month-by-month fashion that starts one year before the wedding. This month-by-month countdown to the big event uses twelve tabbed sections to organizing everything from catering, guest lists and budgets to planning the honeymoon and sending thank-you notes. Each monthly chapter includes a generous pocket for storage, beautiful full color photographs, advice and time saving tips, comprehensive guidance on what needs to be done, a monthly task list, plus charts for planning, price comparisons and budgeting.

There is also a large clear zippered pocket for storage and eight detachable to-do lists for each member of the wedding party. With over 200 color photographs and beautiful design details, this book will become a cherished memento of the wedding.
