

With Good Behavior (The Conduct Series Book 1)

In a world gripped by organized crime, family dysfunction, and dim hopes of redemption, can true love persevere? For Sophie Taylor, a beautiful psychologist who lost everything when she violated an ethical boundary, and Grant Madsen, a handsome naval officer who sacrificed everything to protect a loved one, finding that love may carry an unbearable cost. Starting their lives over in Chicago, both are fighting influences from their family and running as fast as they can to escape the past. When their paths cross outside the parole officers door, the attraction is instantaneous. But a hidden connection may not only shatter their fledgling love, but prove deadly to them both.
