

The Dark Tide

Bright and vivacious, Daphne Lethbridge is back at Oxford after a stint of volunteer work. World War I has ravaged Europe, but it has done nothing to daunt her spirit, and she plunges headlong into the whirl of college life. Her enjoyment, though, is soured by her cynical contemporary Virginia Dennison, who spars with Daphne on every occasion. Daphne seems to triumph over Virginia when she marries a rising political star, but its not long before she begins to realize the bitter truth of her marriage. It takes a chance encounter with her old enemy for her disillusionment to give way to a mature understanding of love and friendship.
