

The Girl on the Stairs: A Masterful Psychological Thriller

Jane Logan is a stranger to Berlin and she finds the city alive and echoing with the ghosts of its turbulent past. At six months pregnant, she's instructed by her partner Petra to rest and enjoy her new life in Germany. But while Petra is out at work, Jane begins to feel uneasy in their chic apartment. Screams reverberate through the walls, lights flicker in the derelict building that looms over the yard, a shadow passes on the stairs ... Jane meets a neighbour's daughter, a girl whose life she tries to mend, but her involvement only further isolates her. Alone and haunted, Jane fears the worst ... but the worst is yet to come.
