TWENTY THOUSAND YEARS, YOU THINK YOU'VE SEEN IT ALL... Remshi is the oldest vampire in existence. He is searching for the werewolf named Talulla, whom he believes is the reincarnation of his long lost - and only - love. But he is not the only one seeking Talulla. Hunted by the Militi Christi, a religious order hell-bent on wiping out werewolves and vampires alike, Remshi and Talulla must join forces to protect their families, fulfil an ancient prophecy and save both their lives.
