

# Words We Never Speak

Kits life is moving along without a hitch. New job. New boyfriend. New best girlfriend for a confidant. Just when everything seems picture perfect, her blissful existence unravels one thread at a time. Strange dreams about an old love from high school disrupt her sleep, reminding her of an unresolved issue haunting her since the day she graduated. When a new guy comes to town, she hopes their burgeoning relationship will take her mind off the chaos and restore order. Kits wish shatters when gruesome events occur unexpected, and shes left fighting them off one at a time. Worse, she must choose between two men who vie for her attention. One of them desperately wants something from her. The other is not what he appears. Find out what happens as author Scarlet Darkwood delivers you a supernatural, romantic suspense, stand-alone novel.
