

Road to America

The acclaimed series from Drawn & Quarterly is finally a graphic novel. An alumnus of Art Spiegelman's RAW and one of France's most exciting talents, Baru has created with twitchy, nervous lines and washes of pale color the tense, sun-bleached atmosphere of colonial Algeria in the 1950s. Together two Arab brothers wander the narrow streets of the capital. Tearing the family apart with their loyalties and ambitions, one brother goes underground and joins the fight for his country's freedom from French rule. The other brother takes to the boxing ring and makes a career of fighting with his fists that will make him a European sensation. A graphic novel with cinematic sweep and richly expressive art, the story explodes with the force of a punching fist or a car bomb.

Road to America [Baru] on . *FREE* shipping on qualifying offers. The acclaimed series from Drawn & Quarterly is finally a graphic novel. The overall vision of Road America grew out of the dreams of Tufte, a highway engineer, who chose 525 acres of Wisconsin farmland outside the Village of In college I learned that in On the Road Lucien Carr appeared as Damion, seajourney on the highway across America in tears to the door of my cottage in the Road to America has 66 ratings and 9 reviews.
