

Season of Adventure: Traveling Tales and Outdoor Journeys of Women over 50 (Adventura Series)

This work celebrates the travelling experiences of 28 older women, ranging from 50- to 90-years-old, who find themselves at the far ends of the earth, bird-watching in the Galapagos, trekking by horseback through Montana, chasing lemmings in Alaska or hiking in the Pacific Cascades. Their stories display a keen awareness of culture and landscape to prove that the spirit of adventure does not wane with age.
