

Women on the Verge of a Nervous Breakthrough

Joanies ex-husband is having a baby with his new girlfriend. Joanie wont be having more babies, since shes decided never to have sex again. But she still has her teenaged daughter Caroline to care for. And thanks to the recession, her elderly mother Ivy as well. Her daughter cant seem to exist without texting, and her mother brags about goggling,-while Joanie, back in the workforce, is still trying to figure out her office computer. And how to fend off the advances of her coworker Bruce. Joanie, Caroline, and Ivy are stuck under the same roof, and it isnt easy. But sometimes they surprise each other-and themselves. And through their differences they learn that it is possible to undo the mistakes of the past.
